Day 2: Today after enjoying a Continental Breakfast, you will go to THE AMISH EXPERIENCE attraction. The Amish Country Historical is a reflection of their commitment to accuracy and simplicity portray the Old Order Amish as they live and work in today's world. The historical is the home of the fictional Amish family of Daniel and Lizzy Fisher, which you have grown to know in the Amish Experience Theatre. "Amish Country" imitates the traditional life of Amish traditions and practices, plain clothing and life without electricity. The Fisher One-Room School is attached to the house and filled with authentic desks and furnishings from an actual Amish school. You have the opportunity to watch eight grades in one room. From the party stacked full of freshly canned vegetables to the family's plain clothes... from preparing powdered things to an occasional dinner appliance... the Fisher family historical truly provides insight into the complex culture of a culture so very different from our own. Then, you'll see the NEW musical "MIRACLE OF CHRISTMAS" at the Right & Second Milestones Theatre" one of the world's best performing stages. After decades of creating Burton sets, the Hebrew people are being taken. Who will the potential Messiah come? Into the middle of this holiday, young Mary is told she will have God's son, despite his heavenly promise he will be born in a manger and royal kings pay him homage. Clearly this is no ordinary child but who he is - really it is the Messiah, our Saviour! What an event before such a thing! Witness the story that is central to the season, brought to life with high drama, awe-inspiring special effects and live animals. The true meaning of Christmas unfolds right before your eyes! Tonight enjoy dinner and head back to your hotel.
