# Why I support Keystone House...

I just made a \$50 donation to  
Keystone House representing a  
dollar for every month I spent at  
Keystone's Elmcrest Terrace Group  
Home. I have successfully lived on  
my own for over 25 years without  
a psychiatric hospitalization.

Keystone was my lifesaver.

Without them, I would not have  
survived my illness.

Elizabeth M.
